Cell Phone Report of Calls with Dates

Cell Phone Records Report - A trained investigator will obtain up to 100 calls from the most recent available billing cycle. Cell phone billing cycles typically begin on the date service began. Cycles can start and end on ANY day of a month. Calls are typically obtained from the beginning of a cycle. The investigator can not guarantee the actual dates of calls supplied, however they are usually from the last billing cycle which is typically available 5 days after the cycle ends. Please note that reports are usually not available for pre-paid cell phones since the bills are not detailed. Please enter any special instructions at the bottom of this form (i.e. specific dates, previous cycles, access codes, etc.).

This search is only available to Businesses & Industry Professionals.
We will contact you by phone once you place your order for verification.

You supply:

Telephone Number, Name, Address, and Social Security Number.

Need the Name, Address or Social Security Number ?

You can get them all with one search..... check out our all inclusive [package deal](#).

Investigator will search:

Up to 100 calls with dates from last available billing cycle.

Estimated turn around time = 3 - 5 business days.

Some circumstances may cause a delay. Please note that this is an estimate.

Cost of cell phone calls Search:\$125.00

Enter Telephone Number:

- -

Enter Name: (need name and address [click here](#))

Enter Address:

Enter City:

Enter State:

Select State

Enter Zip:

Enter Social Security #:

- -

If you need the Social Security Number first - [click here](#).

Enter any special instructions or comments:

How many additional months? (\$110.00/month)

How many additional calls per month?

(\$0.50/call - ie. \$50 per 100 add'l calls / mo.)

Would you like the duration of each call? (\$35.00/month)

Would you like the time of each call? (\$35.00/month)

In some cases the investigator may be required to obtain the times & durations with the reports. If you do not request the times & durations with your order, it may be necessary to obtain your authorization of the additional fee before proceeding. To avoid this delay, be sure to request these items with your initial request; or you may call or [email](#)  our office for clarification prior to placing your order.

Cell Phone Record Order Form

Order Cell Tolls Here:

This report is for informational purposes only. If you need phone records for court, you will need to subpoena them from the carrier.

Results:

- \$110 - Up to 100 outgoing calls with dates within the billing cycle. Incoming calls on request if available with carrier. (Will not be indicated as incoming on results, if incoming must be indicated the charge is double the order) No guarantee incoming calls will be included in report as they are not available with all carriers.

Optional Services:

- Additional Calls per Month: \$99 per additional block of 1 to 100 calls
- Additional Month's: \$100/Month up to 100 calls
- Duration of Each Call: \$25/(1 to 100 call block), additional calls separate
- Time of each call: \$25/(1 to 100 call block), additional calls separate

Returning Clients Please Note: Please ensure to notify us in the additional comments if you have already received tolls on the number you are submitting in this order. We need to know the call dates and/or bill date you already have to ensure duplicates are not submitted in your next report. If we are not notified of this, and duplicate calls are submitted to you, the charge will stand for the work performed on your search request.

(Non-Internet phone searches are provided by third party, independent search experts. These experts are independent researchers and Data Find Solutions Inc does not know how they do the research or what databases they access. Data Find Solutions Inc notifies researchers who provide non-database research to only fulfill the search request if they can conduct the search in compliance with Federal, State or Local Laws. Results may include a search of the internet, public records and media for any information that may be found, specific to your search request.)

BACKGROUND SEARCH—Mate Check conducts industry leading background searches for individuals, companies, & corporations. Mate Check conducts background checks for an individuals Criminal, Civil, Judgments, Liens, Bankruptcies, Sex Offender Registry, Vehicle Records, Property Ownership, Employment Verification, Social Security, Marriages, Divorces, Address Verification, Date of Birth, Traffic Tickets, & relatives information in ALL 50 States. Many of our competitors charge you per county in each state and that can get very expensive. Additionally, their Background searches are not nearly this extensive. Our extensive & complete background Search Service, incorporating information from all 50 States is Only **\$300 USD**.

ASSET SEARCH—Mate Check conducts a thorough investigation into all the assets owned or licensed to and individual, company, or corporation including but not limited to the following: Bank Accounts, Checking, Savings, Safe Deposit Boxes, Off Shore Accounts, Investments, Stocks, Bonds, Commodities, Mutual Funds, Trust Accounts, Hidden Assets, Real Property Assets, Partnerships, Investments, Corporate identities, Sole Proprietorship Business owned, Contractual Agreement Liabilities, Vehicles Owned, Planes, and Vessels owned or leased for business and/or pleasure & much more. This represents a partial list pertaining to an Asset Search. In Divorce or Business proceedings, it is prudent to know everything you can about your business partner or intended mate. When faced with impending divorce proceedings, it is a common practice for one spouse to 'hide' assets so the property being divided by the courts is slanted to one party's favor. In sharing ownership of a business with another person it is of utmost importance to know with confidence that your intended business associate is operating from a strong financial & ethical background. This is also a valuable service for individuals who are seeking or have been awarded a settlement/judgement against someone. Call for pricing.

BANK SEARCH—A bank search includes all bank accounts, checking, savings, and safe deposit boxes. Call for pricing.

EMPLOYMENT SEARCH--Mate Check performs the same services contained within our Background Search.Price is only **\$300USD** 

UTILITY SEARCH--This is a wonderful service for persons suspecting that their husbands, wives, or significant others may be renting/purchasing other properties to hide their adulteress partners. If the person in question has established utility service anywhere in the US Mate Check can find them for you. The investment for you peace of mind for this service is **ONLY \$325USD** 

SKIP TRACE--Many people want their identities to 'disappear' for various reasons, mostly for illegal reasons and they can be very difficult to locate. With Mate Checks' seasoned professional at your service, we can locate anyone i.e.; spouse, relative, friend, business partner, etc.- anywhere. There have been several occasions that Law Enforcement Agencies have turned to Mate Check to assist in locating Wanted Fugitives. Let Mate Check assist you in finding that 'special person' that doesn't want to be found for **ONLY \$225USD** 

VEHICLE SEARCH--Mate Check is very proficient at finding vehicle registration information by investigating a plate number, VIN number, or search registration records by persons name in order to find out how many vehicles a particular person owns/lease and where they are located. This search includes cars, RV's, boats, motorcycles, etc. and also includes the driving history of the person in question. The complete Vehicle Registration Locator Service is available at **ONLY \$175USD** 

GPS TRACKING SERVICE--Mate Check employs the latest in High Tech equipment for surveillance services. With a GPS tracking device attached to the vehicle(s) of the person that you employed us to place under surveillance, we can immediately track the movements of the person in question and supply you with a printout of the movements of the tracked vehicle at 2 minute increments. This high tech device is of great use in determining the truthfulness of a person that may be lying to you about their activities. We use this service in combination with our video surveillance activities in many occasions. NOTE, due to legal privacy issues, the use of this system can only be used for someone you are married to or are a legal guardian of. For use of this service & pricing please contact us  so we can make sure that the use of this service meets federally required guidelines and also the length of the surveillance will determine the price. You may also purchase a GPS Tracking System for your own use. Price is Only \$899 USD 

VIDEO SURVEILLANCE--Find out if he or she is all they claim to be when they are not with you with video surveillance. Video surveillance includes all mileage used and a video tape of all activity. If the subject comes in contact with another vehicle, we can run the plate and tell you who it is and where they live. If the subject goes to an apartment or house, you will know who lives there. If the subject goes into a bar or restaurant, we video tape them inside. Get the proof you need on tape. CALL US FOR PRICING. 

FIND A PERSONS NAME/UNLISTED PHONE NUMBER/CELL PHONE NUMBER/VOICE MAIL--as these services are closely related and require the same expenditure of time and resources, they are all individually priced the same at only **\$325USD** 

PHONE RECORDS SEARCH--Have you wondered who your significant other or business partner are talking to & why when they are not with you? How will these conversations impact your relationship, business or personal? Whether the calls in question originate from a private/residence/business/cell phone we can obtain records all the calls originated by that person with information including date, time of call, phone number called, and duration including domestic/foreign long distant or local. Mate Check will research all calls in question and provide the individuals information with each call including unlisted number listings. We will also report to you any calls made from 'hidden/secret' cell phones the the person being investigated for you may have that you are not even aware of. Pricing for the following services including Cell Phone Record, Residence Toll Calls,

Unlisted Phone Number Identification, Obtaining a 'Hidden/Secret' Cell Phone Number, Finding who owns a particular Phone Number, & Obtaining the billing name for any Voice Mail Box called are only \$325USD to \$500USD per service.

TOLL FREE NUMBER IDENTIFICATION--When you provide us with the toll free number we will provide you with the billing name and service address for only \$175USD.

PAGER NUMBER IDENTIFICATION--When you provide us with the page number we will provide you with the billing name and address for only \$175USD.

COVERT DECOY PLACEMENT-- If you have suspicions that your significant other will cheat on you if presented with the opportunity, Mate Check will have a professional decoy wired for sound recording and an assistant video tape a meeting with the person you suspect will give in to this temptation. This is an excellent test for pre-marital & marital piece of mind or for companies that want to be sure that their employees are not engaged in fraudulent, illegal, or sexual harassment practices. For indisputable proof why not hear and see it as it is happening. For pricing & further information [Contact Us](#).

DNA TESTING KIT--When questions of fidelity are present in a relationship, Mate Check can supply you with a DNA Test Kit that will allow you to determine the presence of semen on a garment. It only takes a few minutes to obtain the results of this testing and DOES NOT stain the garment being tested in the process. If you confirm the semen is present on the garment tested & that you did not have sexual contact with the person in question then you will know that the act of infidelity on the part of your significant other is real. However, at this time you will not know who the partner in this infidelity is, therefore, we highly suggest that you strongly consider utilizing some of our other services such as Video Surveillance and/or Covert Decoy Placement so that you will be comfortable that your suspicions are well grounded prior to making a final decision regarding the infidelity of the other person. The Test kit contains supplies for 10 DNA test and is only \$300USD.

Mate Check prides itself on offering such a extensive variety of professional services for all of your personal/business investigating needs. You may have a specific need that is not enumerated here and we welcome any inquiry for additional services not listed. Be assured that you're inquiry will be held in strictest confidence and that we will address your need in a

expeditious manner. To make additional inquiries please [CLICK HERE](#)
